Magic Show!

Brighthouse Elementary School PAC is presenting a family friendly magic show by John Kaplan on Friday, February 26, 2016 at 7:00 pm. The show will take place at Richmond High (7171 Minoru Boulevard) and will be approximately 90 minutes long.

John Kaplan is “one of Canada’s favourite family entertainers”. He has over 30 years of experience performing magic in theatres, on TV, alongside Jay Leno, as well as at fairs, festivals and schools. He has a “unique way of blending magic with music, theatre, dance and incorporating magic with grand illusion and original routines”.

A contest is being held at Brighthouse to determine who will be sawed in half by John Kaplan during the show -

“volunteers” include Mr. Elcombe, Mr. A and Mr. Der.

The show is being put on as a community event for families to enjoy. Tickets are \$10 each and are being first offered to Brighthouse and Sea Island School families.

Proposed School Calendars

The school district has coordinated our General School Calendars with other Metro Vancouver School Districts to ensure the calendars are aligned with the other surrounding districts as best as possible.
