Magic Show Success!

Thank you to all of the families that attended our recent Magic Show at Richmond High. The night was a great success in building community through a fun and entertaining evening. We also managed to raise some funds to support PAC initiatives. Special thanks to the PAC Executive who coordinated the Magic night and concession sales. You did an AWESOME job and your help in support of the Brighthouse community is very much appreciated.

Book Fair a Success!

Thank you to all students and families for once again supporting the Book Fair at the school. The purchase of books and daily reading helps to promote our school's goal of Reading. We are happy to announce that we raised \$2,000.00 to support the school's Library!

Basketball

Congratulations to our boys and girls basketball teams for their efforts at the recent Richmond High Basketball tournament. Blazers worked extremely hard and demonstrated excellent teamwork and sportsmanship skills. We are very proud of you! Thank you to the coaches who gave their time in coaching these fine athletes and teaching them the skills needed to play the game. Great work everyone!

Track Attack

Track Attack will begin **April 4th** for grade 3-7 students! Students will be practicing for a variety of Track and Field events over the next few weeks in preparation for our school's **Zone Track Meet on Tuesday, May 10th at Minoru**. It will be important that students are wearing appropriate clothing that will allow them to participate comfortably in the Track and Field events. Runners, track/sweatpants, t-shirt and shorts (on nice days) are good options. More information will come home as the Zone Meet date approaches.
