Dear Brighthouse Families,

Earlier this week I emailed about the City of Richmond issuing violation tickets to cars that are waiting in the no stopping zone to enter the traffic circle. While we continue to work with the City of Richmond about this concern, we are encouraging families to look into alternative options such as parking your car and walking to school for the time being.

Secondly, as we begin the new year, our school-wide common language, **“Bobcats Care,”** will continue to guide us. Our focus will be on showing care for ourselves, for others, and for our school community. Students will see and hear examples of caring during morning announcements, in Family Teams activities, through classroom visits from our school counsellor, and when we support students in managing their feelings and emotions.

Finally, A Big Thank You!

We are so grateful to all the families who participated in our annual food bank drive. Thanks to your generosity, students brought in **1,888 food items** and **\$1,119.00** in donations! A special congratulations to **Division 12** for bringing in the most items—what an amazing effort! It’s truly heartwarming to see the kindness and community spirit that makes our school so special. Thank you for making a difference!

Wishing you all the best,

Leah Scharf and Kathy Pantaleo

December 25, 2025 – Christmas Day (Christian)

Christmas Day is a Christian festival celebrating the birth of Jesus. Since the early 20th century, Christmas has also been observed as a cultural and secular holiday by Christians and non-Christians.

Merry Christmas to all who are celebrating! We send heartfelt wishes for a day of joy, hope, and connection. May this season bring warmth to your homes and remind us of the values of generosity, compassion, and peace.
