Dear Brighthouse Families,

We're excited to launch Family Teams on Monday! Family Teams is a special way to bring our school community closer together by creating groups of students from different grades and classes, along with staff members. The goal is to build a sense of belonging and connection across our entire school.

By mixing grades and classes, students will have the chance to meet new friends and interact with different teachers. During these gatherings, we'll enjoy team-building games and fun activities designed to help us get to know each other better. This is the first of several Family Teams activities we'll be doing this year!

Today we also had our first Spirit Day of the school year! Spirit Days are another fun way to build our school community. We have about two Spirit Days planned each month, and they will usually take place on Fridays. Our next Spirit Day will be **Superhero Day on Friday, December 5th**. What superhero will you dress up as?

Finally, we are seeking help from families who are able to sponsor hot lunches for students. If you are able to help, you can go to www.munchalunch.com and choose the Donate tab to make a donation. Thank you for supporting families at our school!

Wishing you all the best,

Leah Scharf and Kathy Pantaleo

SD38's S.E.E.D. Family Learning Series provides strategies for families to support preschool aged children's experiential learning.

"Planting seeds for lifelong learning!"

Session Titles:

- S – Social Emotional Learning (Play & SEL)
- E – Everyday Numeracy (Play & Numeracy)
- E – Everyday Literacy (Play & Literacy)
- D – Discover & Explore Outdoors (Outdoor Play)

S.E.E.D sessions focus on how play offers optimal conditions for learning in early childhood. Sessions include facilitated time for children to enjoy playing and learning with other children, while adults explore ways to support their children's learning. The S.E.E.D program aims to enhance caregivers' understanding of early learning in the Richmond School District and offers opportunities for caregivers to build social networks.
