Dear Brighthouse Families,

Welcome back! We hope that all families had a safe and restful winter break. Now that we are back to school, traffic congestion in the pick up and drop off circle continues to be a time where cars are waiting to enter the traffic circle. Having vehicles queued along the curb while through traffic attempts to pass through can cause sightline issues for vehicles exiting the traffic loop. Arranging an alternative pick up and drop off spot or parking near by and walking to and from school will help all of us with traffic congestion. When you are in the traffic circle, please drive slowly and use the marked lane for your children to ensure their safety.

Receiving text messages from the Richmond School District is an important way for us to share urgent updates with our school community. Recently, a school had to close unexpectedly due to a burst pipe, and only a few families received that message. To ensure everyone stays informed, the Richmond School District will send all families a text message in February to “opt in” to receive these alerts. It is essential that you reply to this message so you can receive urgent notifications from the district in the future.

Wishing you all the best,

Leah Scharf and Kathy Pantaleo
