Dear Brighthouse Families,

Today was an Indigenous Learning Day for all staff in the Richmond School District as a part of our district's ongoing commitment to Truth and Reconciliation. We explored the First Peoples Principles of Learning and the Truth and Reconciliation Commission Calls to Action. We also worked together as a staff to decide on our own call to action as a school and areas of learning that we can continue our focus on moving forward.

Starting on May 25th we're excited for all of our students to experience Ultimate Frisbee Lessons from Elevate Vancouver! Intermediate classes will receive three lessons, and Primary classes will receive two. Thank you to our PAC for sponsoring this fun activity for our students! Families can go [HERE](#) more information about Elevate Vancouver.

Wishing you all a good long weekend!

Leah Scharf and Kathy Pantaleo
