Dear Brighouse Families,

Fun Day is this Friday! We're looking forward to seeing families join us on this day. Classes in Grades K - 2/3 will participate from 9:00 am - 10:00 am, and classes in Grades 3/4 - 6 will participate from 10:30 - 11:30. Our grade 7 students will be leading the stations. Thank you to our PAC for donating Frozen Yogurt as a treat for the day!

Spring time is nesting season for birds, and we currently have a crows nest in the bushes by the red playground. We would appreciate your help in talking with you children about staying away from this area, as crows can be aggressive at this time of year.

After 33 years of dedicated service across six schools and two districts, Ms. Scharf will be retiring at the end of June. We extend our heartfelt thanks for her exceptional contributions and wish her all the very best as she begins an exciting new chapter in the Okanagan. Ms. Karen Burroughs-Chan will be the Vice Principal at Brighouse for the following school year. Ms. Burroughs-Chan was previously a teacher at Brighouse, and is looking forward to returning to our school.

Wishing you all a good weekend!

Leah Scharf and Kathy Pantaleo

Considerations for the 26/27 School Year

It is the time of year when we begin to make plans and considerations for the following school year. Know that the staff at Brighthouse have many considerations when we engage in staff discussions about the placement of students for the following school year.

Considerations include:

- learning strengths and stretches
- personal and social strengths and stretches
- contractual obligations

As you can see, this is a complicated process as there are many factors that contribute to a student's placement in a class. If you would like the opportunity to provide the school with information about your child's placement for next year, you are welcome to complete the survey by clicking on the link [HERE](#). **Please note that the survey will close on Monday, June 15th at 4:00pm.** We will not be able to accept considerations after Monday, June 15th. The information you provide should not include a request for a specific teacher or grade combination, but rather some important personal or educational information that will assist us in our decision. Please be aware that the final decision regarding placement is a school-based decision.
