We are a week away from the launch of our Traffic Circle Experiment in May, please remember to review the attached plan for neighbourhood parking and the traffic circle arrangement.

Thank you to all the families that are already taking the initiative to follow the Right-hand exit turn, dropping off on the outside lane and even walking into school. We anticipate that things will be very smooth when we make the full start on May 1st.

We would like to remind our Grade 4 and 7 parents that the Ministry Learning Survey is open until April 28th and we are hoping everyone is able to complete the survey and provide us with the important data. The Grade 4 and 7 students are completing the survey with their classroom teachers. <https://www.awinfosys.com/SurveyFull1/central/main/access.asp>

We hope you enjoy the weekend ahead.

Be safe, be active and get outside,

Mr. A. Ferguson
