Dear Families,

We are noticing that there is an increase of students needing extra snacks at the office. The Ministry of Education has provided us with funds to use to purchase healthy snacks that we can offer on a daily basis to students at our school. We started this week, and it's been well received so far. We are looking at expanding our options, as well as offering Breakfast Club one morning a month. Stay tuned for more updates!

Earlier this week you should have received an email about the Richmond School District starting a new way for schools to provide quick updates to families by text message. You can choose to opt-in by texting 978338 with a Yes. Please choose to opt-in before November 30th, 2023. If you have a new cell phone number, please let the school know to ensure that you receive the text when we start messaging families in this way. More details is posted on our school website at brighous.sd38.bc.ca.

If you have any questions, you can email us at kpantaleo@sd38.bc.ca.

Wishing you all good health,

Kathy Pantaleo and Leah Scharf
