Wednesday

Grade 6 Immunizations

Thursday

Friday

Hot Lunch - Subway!

Dear Families,

For the past few weeks, we have been providing morning snacks for students to help start their day. We are very fortunate to have funding from the Ministry of Education to help us with providing snack options such as: apples, oranges, yogurt, cereal and bagels. While it seems to be helping, based on the number of students who are eating the food, we thought it would help if we surveyed our community to get their feedback as well. Families, please use the survey link [HERE](#) to share your thoughts about the morning snack program at Brighthouse. We will also be surveying staff and students, and will share the results closer to the winter break.

Also, you may have noticed that the garden beds are being moved. The area where the garden beds are, will be the area where the modulares will be installed for the 2024-2025 school year. The plan is for the garden beds to be relocated to the grass area close to the swings.

Finally, Report Cards will be published in MyEd on December 21st. Please refer to the MyEd Parent Portal instructions also sent in this email to ensure that you are fully set up to access your child's report when it is published.

If you have any questions, you can email us at kpantaleo@sd38.bc.ca.

Wishing you all good health,

Kathy Pantaleo and Leah Scharf

Important Dates!

Dec 6	Immunizations
Dec 8	Hot Lunch - Subway
Dec 15	Family Movie Night
Dec 20	Winter Assembly
Dec 21	Report Cards published in MyEd to families
Dec 22	Last Day of School for Winter Break
Jan 8	First Day Back!

RICHMOND FOOD BANK CHALLENGE!

The Cook Cougars have challenged us (for the 4th year), to a friendly Food Bank Challenge between now and Dec. 15th!

Please send a canned or sealed food item with your child or support the Food Bank through cash online! Please check the expiry dates to ensure they are still good to eat! Every food item and dollar is worth one point. Whichever school earns the most points wins!

Updates from our PAC!

Our PAC website is a great place to go to find updates and answer questions about anything related to the PAC like Hot Lunches and Fundraisers. Click [HERE](#) to learn more!

Grade 6 Immunizations

This coming week, the school nurse team from Vancouver Coastal Health will be having an immunization clinic for our students in Grade 6 and some in Grade 7. All families have given permission for their children to be immunized ahead of time.
