Dear Families,

Wishing all families who celebrate Lunar New Year a Happy New Year!

This coming week you will have an opportunity to meet with staff for Learning Updates. The focus on learning updates is for you to not only be provided with updates from your teacher in the areas of Literacy and Numeracy, but also learn about your child is developing with friendships, social skills and emotional regulation. If you have not yet scheduled a learning update conference with your teacher, please email them directly. **This is also a reminder that there will be an early dismissal on Thursday, February 15th at 11:40 am.** Please mark this day and time on your calendar!

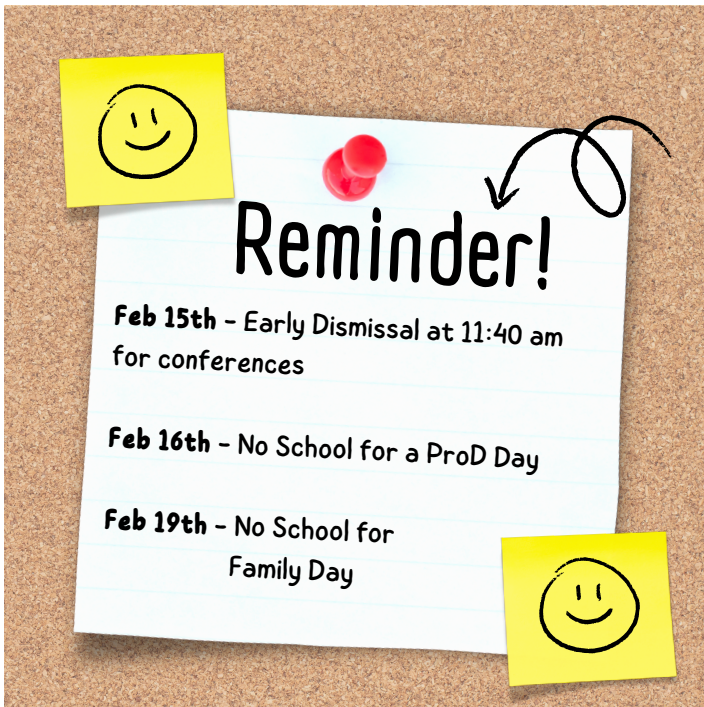

On another note, before ordering snacks or hot lunch for your child or children please check first to see if your child's class is on a field trip that day. We are so fortunate to be within walking distance from many learning opportunities. This means that there are field trips that happen on a daily basis here at Brighthouse, making it impossible for our PAC to plan food days on days that all classes are at school during the lunch break.

If you have any questions or concerns, please reach out to kpantaleo@sd38.bc.ca.

Wishing you all good health,
Kathy Pantaleo and Leah Scharf

DRESS LIKE A BOOK CHARACTER DAY!

A colorful banner for the Richmond Children's Arts Festival. On the left, an illustration shows children engaged in various art activities like painting, drawing, and using a ladder. The central text reads "RICHMOND CHILDREN'S ARTS FESTIVAL" in bold, blue and red letters, with "PRESENTED BY LANSDOWNNE CENTRE" below it. To the right, a purple oval contains the text "FAMILY DAY", and below it, the date and time "February 19 10am-4pm" and the location "Richmond Cultural Centre" are listed. The bottom of the banner features a teal bar with a QR code, the website "ChildrensArtsFestival.ca", and logos for "Richmond Public Library" and "Richmond".

A blue banner for Richmond School District No. 38's Summer Learning 2024. The top left features the district's logo. The main title "SUMMER LEARNING 2024" is in large, white, bold letters. Below it, a white italicized text reads: "Come join our fun and engaging summer learning programs where you can explore new interests, learn new skills, review or preview academic courses or complete a full credit course." The bottom left is a green bar with a list of program options: "Academic Full Credit", "Secondary and Elementary Enrichment", "Summer Camps", and "Academic Completion". Below the list, it says "Registration begins Mon., April 22, 2024" and provides the website "www.richmondce.ca" and phone number "604-668-6123". The bottom right corner shows a collage of six photos: a blue door with yellow accents, a colorful rainbow, a green door, a sunflower, a yellow field, and a yellow circular path.
