Dear Families,

Ramadan is the ninth month of Islamic lunar calendar, which this year is from March 10th - April 9th. Muslims consider this whole month a blessed month. They fast during the days of this month and make special prayers at night. Wishing families a happy Ramadan!

On Monday, March 11th, Frank Geyer will be joining our PAC meeting to give a presentation about the new Annex that will be built for the 24/25 school year.

There will also be an opportunity for families to ask questions as well. We hope that you can join our PAC meeting this Monday by using the link below:

Finally, more details about summer programs are expected to be published after Spring Break. For now, families need to ensure that they have their child's Personal Education Number (PEN) so that an account can be created to register on April 22nd.

Wishing you all good health,
Kathy Pantaleo and Leah Scharf
