Friday	Running Club @ 8:00 am

Dear Families,

As shared last week, on Thursday, April 25th, Written Learning Updates (formally known as report cards) will be posted in MyEd for families to view updates on their child's learning. If you would prefer a paper copy of your child's learning update, please email your classroom teacher to let them know. The Richmond School District has created a flyer to help explain Proficiency Scales and descriptors for English Language Learners. This will be included in all written learning updates this term and is attached in the newsletter email sent to families today.

The provincial government recently announced a renewal of one time funds for the Student and Family Affordability Fund. This fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- school and course fees
- school supplies and course materials
- field trips
- school-related extracurricular opportunities
- clothing and footwear required for sports and school activities

Please reach out to Kathy Pantaleo at kpantaleo@sd38.bc.ca if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need to be successful at school. Please do not hesitate to reach out if we can help.

Wishing you all good health,
Kathy Pantaleo and Leah Scharf
