## April 8th - 12th Week at a Glance

Monday	
Tuesday	Class Photos Track Attack
Wednesday	Track Attack
Thursday	
Friday	Jersey Day!

Dear Families,

Yesterday you received an email from the Richmond School District about the rare event of a Solar Eclipse on Monday, April 8th. While our area of the world will not be greatly impacted by this eclipse, it's out of an abundance of caution that we will be ensuring that our students will be inside from 10:30 am - 12:20 pm. We will be adjusting our outside lunch play time on this day by having students eating their lunch before going outside at 12:25 pm. When it comes to students needing to go outside to walk to another part of the school either to go to the gym or use the bathroom, we will ensure that they are closely supervised by an adult during this time. Families are welcome to send their children to school with a hat or sunglasses to wear as well.

For more information about solar eclipse you can click on this links below:

On another note, Track Attack will be starting next week. Track Attack is an opportunity for students in Grades 4 - 7 to experience the events that they will have an opportunity to participate in at our Track Meet on Thursday, May 16th. Grade 3 students in Grade 3/4 classes will also be joining Track Attack, but not participating in the Track Meet. Students are recommended to be dressed for physical activity, as well as bringing a water bottle, hat and sun screen on Track Attack days.

Wishing you all good health,  
Kathy Pantaleo and Leah Scharf

Class Photos  
on  
April 9th!

**SAVE THE DATE!**

Thursday, May 16th  
is the Track Meet at  
Minoru
