## June 17th - 21st Week at a Glance

Monday	
Tuesday	
Wednesday	PAC Popsicle sale after school by the portables
Thursday	
Friday	Frozen Yogurt Treat Day Movie Night from 3:00 pm - 5:00 pm

Dear Families,

We've received some questions about how families can continue the conversations at home about body science after last week's Salema Noon presentations. Schools offer these presentations to students every two years so that children are hearing age appropriate content that aligns with the curriculum. The presentations are created to help children learn about consent and the facts about body science from an expert. There is concern that children are looking up information on their own on the internet, sharing what they've found with their peers, which may not be presented well or be accurate.

If you would like to learn more about the curriculum, you can click on this link [HERE](#).

Finally, The Awesome Animal Academy school club led by Ms. Stephanie and Mrs. Wong is hosting their annual fundraiser during lunch time next Mon-Wed outside the portables. The AAA members will be selling their creations for \$1 each including: bracelets, buttons, and small clay and felt animals. Please bring your loonies and toonies to support local animals; all proceeds go directly to Richmond's SPCA branch. Thank you!

If you have any questions or concerns, please email Kathy Pantaleo at [kpantaleo@sd38.bc.ca](mailto:kpantaleo@sd38.bc.ca).

Wishing you all the best,

Kathy Pantaleo and Leah Scharf
