Dear Families,

While we do not have a running club this year, students are welcome to join our annual Richmond School District Cross Country Meet on Tuesday, October 22nd at Garry Point Park. While families will need to arrange their own transportation for their children to and from the meet, Mrs. Pantaleo will be there as a check-in and help with handing out the Brighthouse jerseys. The attached permission form will also be available at the office.

With the fall weather upon us, we are asking for families who have gently used coats, boots and rain pants to drop them off at our donation station in the office. We have families in need of these items and your donations go a long way in helping our community. Below you can find a photo of what we have already if you are looking for some clothing as well.

Finally, there may be times where your child comes home and shares that something happened at school that involved another student. We ask for families to please reach out to their classroom teacher if they have any concerns. It is very important that adults do not address their concerns directly with another person's child. If you have any questions about this, please email kpantaleo@sd38.bc.ca.

Wishing you all a good weekend,

Kathy Pantaleo and Leah Scharf
