Dear Families,

We are excited to welcome kindergarten registration applications for children born in 2020, turning 5 in 2025. These children will begin kindergarten in September 2025. Online registration begins November 1, 2024.

Families are encouraged to register any time during the priority 1 registration period (November – January) for the best chance at attending their catchment school. All registration applications completed any time during the priority 1 registration period will receive placement decisions via emails from the school by February 7, 2025.

Videos detailing Kindergarten registration have been made available on our District website, providing new parents with guidance on the registration process, English Language Learner (ELL) assessments, and District Program Options (Early French Immersion and Montessori). These videos are available in English and Mandarin. Please view the videos at <https://sd38.bc.ca/student-registration/kindergarten-registration>.

All the best,

Kathy Pantaleo and  
Leah Scharf
