Dear Families,

It is the time of year when we begin to make plans and considerations for the following school year. Know that the staff at Brighouse have many considerations when we engage in staff discussions about the placement of students for the following school year.

Considerations include:

- learning strengths and stretches
- personal and social strengths and stretches
- contractual obligations

As you can see, this is a complicated process as there are many factors that contribute to a student's placement in a class. If you would like the opportunity to provide the school with information about your child's placement for next year, you are welcome to complete the survey by clicking on the link [HERE](#). **Please note that the survey will close on Friday, June 13th at 4:00pm.** We will not be able to accept considerations after Friday, June 13th. The information you provide should not include a request for a specific teacher or grade combination, but rather some important personal or educational information that will assist us in our decision. Please be aware that the final decision regarding placement is a school-based decision.

All the best,

Kathy Pantaleo and Leah Scharf

Track Meet on May 12th!

On Monday, students in Grades 4 - 7 participated in the District Track Meet. We'd like to take this time to thank all of the staff, students and families for supporting this event. We will let families know when we are planning to have our Track Ribbon Assembly in the next few weeks.

June 2nd - June 6th is Bike to School Week!

We are encouraging all families to walk, ride or scooter to school this week. Help our school win \$1 000! Each morning that week, you will find a table set up at the front of the school where staff and students will be tracking how our community arrived to school each day that week. Let's see how many of us can walk, ride or scooter to school in June!
