Dear Families,

It is the time of year when we begin to make plans and considerations for the following school year. Know that the staff at Brighthouse have many considerations when we engage in staff discussions about the placement of students for the following school year.

Considerations include:

- learning strengths and stretches
- personal and social strengths and stretches
- contractual obligations

As you can see, this is a complicated process as there are many factors that contribute to a student's placement in a class. If you would like the opportunity to provide the school with information about your child's placement for next year, you are welcome to complete the survey by clicking on the link [HERE](#). **Please note that the survey will close on Friday, June 13th at 4:00pm.** We will not be able to accept considerations after Friday, June 13th. The information you provide should not include a request for a specific teacher or grade combination, but rather some important personal or educational information that will assist us in our decision. Please be aware that the final decision regarding placement is a school-based decision.

All the best,

Kathy Pantaleo and Leah Scharf

Lost and Found Items

We have many items in our lost and found. Please come by the front entrance of our school to see if anything may belong to your family. All items will be donated at the end of the school year.

Jerseys from the Track Meet

Do you have a jersey at home from the Track Meet? Please wash the jersey and have your child return it to the office. We are unfortunately missing quite a few, so we're hoping that they are still at home!
