Dear Families,

Next week is bike to school week. We are encouraging all families, to bike, walk, or roll on a scooter to school each day. When riding your bike or scooter, please make sure that you are wearing a helmet and bring a lock so that it can be safely stored outside.

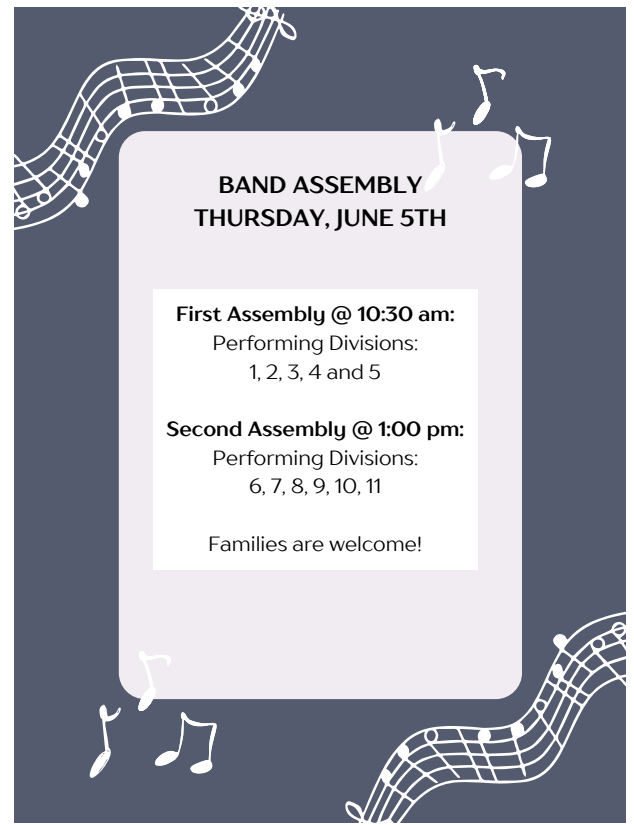

When you arrive to school next week, check in at one of the tables set up by the front entrance of the school, and by the Annex. We are keeping track of how many staff and students are able to bike, walk and roll to school each day next week. Thank you to Mr McCarthy's class for helping us!

Also, yesterday we had our Welcome to Kindergarten Event! It was wonderful to meet our future Kindergarten students. If you have a child who will be attending Kindergarten next year who is not yet registered, please contact our office at 604-668-6522.

All the best,

Kathy Pantaleo and  
Leah Scharf

## Family Considerations for Class Placements

It is the time of year when we begin to make plans and considerations for the following school year. Know that the staff at Brighthouse have many considerations when we engage in staff discussions about the placement of students for the following school year.

Considerations include:

- learning strengths and stretches
- personal and social strengths and stretches
- contractual obligations

As you can see, this is a complicated process as there are many factors that contribute to a student's placement in a class. If you would like the opportunity to provide the school with information about your child's placement for next year, you are welcome to complete the survey by clicking on the link [HERE](#). Please note that the survey will close on Friday, June 13th at 4:00pm. We will not be able to accept considerations after Friday, June 13th. The information you provide should not include a request for a specific teacher or grade combination, but rather some important personal or educational information that will assist us in our decision. Please be aware that the final decision regarding placement is a school-based decision.
