Dear Brighthouse Families,

At the Richmond School District public meeting on January 21, 2026, the Board of Education approved the catchment area for the new elementary school located at 8671 Odlin Crescent, scheduled to open in September 2026. This catchment change helps to balance enrolment at surrounding schools and support the district's long-term commitment to neighbourhood-based schools. As part of this decision, the district has updated catchment boundaries for several city centre schools, including Brighthouse. This new catchment boundary means that some Brighthouse students will be attending the new school starting in September 2026. The families within this new catchment area were notified yesterday.

We recognize that this new school catchment presents a transition for some students and families, and we understand that with change may come challenges, and opportunities. Both school and district staff are committed to supporting families throughout this process. We encourage families in the new catchment area to attend the virtual information session on January 28. During this session, helpful information will be shared with families navigating next steps.

Additionally, we would like to thank those families who are helping to reduce the traffic congestion by parking/dropping off in a less busy area and walking to/from school. We would like to remind everyone that when walking in the community, please use designated sidewalks and crosswalks, and be cautious around driveways. Recently, a few "near-miss" incidents have been reported, and we want to work together to ensure that everyone arrives and departs school safely.

Wishing you all the best,

Leah Scharf and Kathy Pantaleo

If you would like to make a donation to the Brighthouse Elementary Mural Project, click [HERE](#). Please include MURAL in the donation notes. Our hope is to have our new mural at the front entrance of the school by August 2027!
